

To,

Date:

The Chief Engineer - Development Plan

5th Floor, Municipal Head Office, Annex Building

Mahapalika Marg, Fort,

Mumbai-400 001

Subject: Suggestion /Objections and Request for Hearing for the Proposed Draft Development Plan for Mumbai 2014-34.

No. ChE/32596/DP/GEN/dtd 25.2.2015

Dear Sir,

We have scrutinised the proposed Draft Development Plan and we list our Suggestions Objections as stated below. We have also attached the required Documents/ Images/Photographs to complement our observations/comments/objections

1. We are greatly alarmed with your proposals for Aarey milk colony. page 316-321 of your Draft DP
2. In the map on page 320 the proposed land use for Aarey shows institution campuses, health campuses, sports centre and many other activities. the only open space is a central city park of 267 ha. this is completely unacceptable.
3. You give the reference of New Yorks central park of 343.62 ha but it serves a much smaller population than Mumbai. Mumbai has a population of 20 million and the open space you have provided is completely inadequate. Kindly allow entire Aarey to be a natural park.
4. Mumbai is already full of concrete. This breathing space in the centre of the city is invaluable

We will further supplement our issue with data at the hearing. We request you to consider our Suggestions/Objections and grant us a hearing at the earliest.

With Regards

Sincerely
